Project Reach invites all LGBTQIA youth from around the city to attend our first City-wide traveling LGBTQIA youth dinner.

October 28th
Wednesday
6pm-9pm

in Manhattan

Every year Project Reach partners with outer-borough LGBTQIA programs and centers to break the silence and give visibility to NYC’s most marginalized youth communities, those who are immigrant, undocumented and in-the-closet LGBTQIA youth and, in particular, those who are transgender, gender nonconforming and intersex. This year, we will host a series of City-wide dinners for all LGBTQIA youth from around the city.

Subsequent LGBTQIA Youth Dinners will be hosted in Staten Island, Queens, Brooklyn and The Bronx.

Please RSVP for the Dinner @ katherine@projectreachnyc.org

This fall 2015, Project Reach will offer a stipended intensive 10-week, city-wide Anti-Discrimination Internship specifically for LGBTQAI youth, ages 13-21. Find out more information at dinner!
